Content-type: text/plain; format=flowed;

I am a successful, highly educated, red-blooded American raised in the Midwest.

I am an enthusiastic supporter of programs that positively influence the  
American economy.

However,

I AM COMPLETELY OPPOSED TO THE GENETIC MODIFICATION OF FOOD.

Furthermore,

I AM COMPLETELY OPPOSED TO HORMONE AND EXCESSIVE ANTIBIOTIC TREATMENT OF  
LIVESTOCK.

Please do not forget the addage, |You are what you eat|. Food and  
biochemical corporations can make enough profit without endangering the health  
of our people and our planet.

For identification purposes, I am:

Brian Maniere

Brooklyn, NY 11217
